

REPUBLIKA E KOSOVËS
REPUBLIKA KOSOVA / REPUBLIC OF KOSOVO
MINISTRIA E ZHVILLIMIT EKONOMIK
MINISTARSTVO EKONOMSKOG RAZVOJA / MINISTRY OF ECONOMIC DEVELOPMENT

Licensing and permitting requirements for renewable energy

<http://mzhe.rks-gov.net/>

Step 1

- Kosovo Business Registration Agency (www.arbk.org)
 - Business Registration

Step 2

- Ministry of Environment and Spatial Planning(<http://mmph.rks-gov.net/>)
 - Environmental protection permit
 - Water exploitation permit(if hydropower)
 - Construction permit (above 20MW installed capacity)

Step 3

- Permits depending on the construction location
 - Kosovo Forestry Agency (if forest)
 - Ministry of Culture, Youth and Sport (if special interest/ archeological zones)

Step 4

- Ministry of Infrastructure (<http://mi-ks.net/>)
 - Connection to existing road infrastructure permit

Step 5

- Municipalities
 - Construction permit(below 20MW of installed capacity)
 - Contract for using the land

Step 6

- KEK (www.kek-energy.com/)
 - Authorization for connection to Energy Distribution System
 - Contract of energy purchasing from suppliers. In case of feed in tariffs, public supplier.

Step 7

- Energy Regulatory Office (www.ero-ks.org/)
 - Authorization for energy generation

Feed-in Tariffs

Feed-in Tariffs applicable for electricity produced from renewable energy sources and admitted to the Support Scheme.

Primary renewable energy source	(€/MW)
HPPs (<10MW)	63.3
Wind	85.0
Solar Energy	j/a
Biogas and Biomass	71.3
