

Energy Efficiency Measures in Public Buildings at the Municipality Level in Kosovo

BMZ-NO. 200765941

CLARIFICATION FOT PROSPECTIVE APPLICANTS (02.11.2023)

- In line with ITA 7 and 8. (7. Clarification of Prequalification Documents) and (8. Amendment of Prequalification Documents)

- and requests of potential applicants for additional clarifications and changes to the criteria;

1. Request for the Bill of Quantity (BoQ) for the "Energy Efficiency Measures in Public Buildings at the Municipality Level in Kosovo" tender;

2. Request to change the years of required experience for OHS officer from 10 years to 5 years of experience;

PIU (Employer) in consultation with tender agent has reviewed the requests and notifies the applicants as follows;

- ***The Bill of Quantities will be provided to the shortlisted bidders together with the Tender Documents. For the Prequalification the Bill of Quantities are not required.***

- ***The years of experience for the OHS officer is changed from 10 (ten) years to 5 (five) years of experience.*** (PIU has made this decision considering that based on the legislation in force, the first group of OHS Officer's was certified on 17.05.2017).
